Advantek Benefit Administrators maintains a department of highly trained and experienced individuals whose responsibility is to ensure we meet your needs now and in the future.

Available to tribal elders, the **Elder Health Reimbursement Program** provides supplemental reimbursement of health care services (i.e. medical services, dental services, vision exams/lenses/glasses and prescription drugs) for up to \$1500 per year. Any remaining balance will roll over to new year.

For questions regarding your benefits or to speak with a customer service representative, call:
