DIRECTOR'S NOTES

JOHN D. BARBRY
Director of Development
and Programming, &
Education Department

Have you explored the many services that TBED can provide for our Tunica-Biloxi students?

At this point, there is still time to finish the school year successfully. By completing homework assignments, preparing for tests, and attending school every day, you can still make that passing grade.

If you are in doubt, you should meet with your teachers and find out what you need to do. There may be options to make up work or do assignments that bring up your grades.

TBED Academic Counselors can help you make a plan and work toward your goal. *It's up to you to make that first step.*
